Qualität | Design | Vielfalt | Kompetenz | Zufriedenheit | www.stadler.de

A vertical rectangular panel showing a close-up of a wood grain. The wood is a warm, medium-brown color with a prominent, slightly irregular vertical grain pattern. There are some darker, vertical streaks and a small knot-like feature near the bottom left.

Rustic Oak 4344-EM

A vertical rectangular panel showing a close-up of a wood grain. The wood is a lighter, greyish-brown color with a very fine, dense, and somewhat irregular vertical grain pattern. The texture appears more complex and layered than the rustic oak.

Diego Oak 4167-WH

Garonne Oak 4111-WH

Silver Oak 4228-WH

Farbabweichungen sind drucktechnisch bedingt.

A vertical wood texture sample with a dark brown, weathered appearance. The grain is vertical and shows some natural wood variations and knots. A dark grey horizontal bar is positioned at the top, containing the text 'Cottage Pine 4123-WH' in white.

Cottage Pine 4123-WH

A vertical wood texture sample with a dark, charcoal grey color. The grain is vertical and appears more uniform and smoother than the first sample. A dark grey horizontal bar is positioned at the top, containing the text 'Silver Pine 4339-WH' in white.

Silver Pine 4339-WH

Cloudy Cement 3447-EM

Plumbum 3478-EM

Farbabweichungen sind drucktechnisch bedingt.

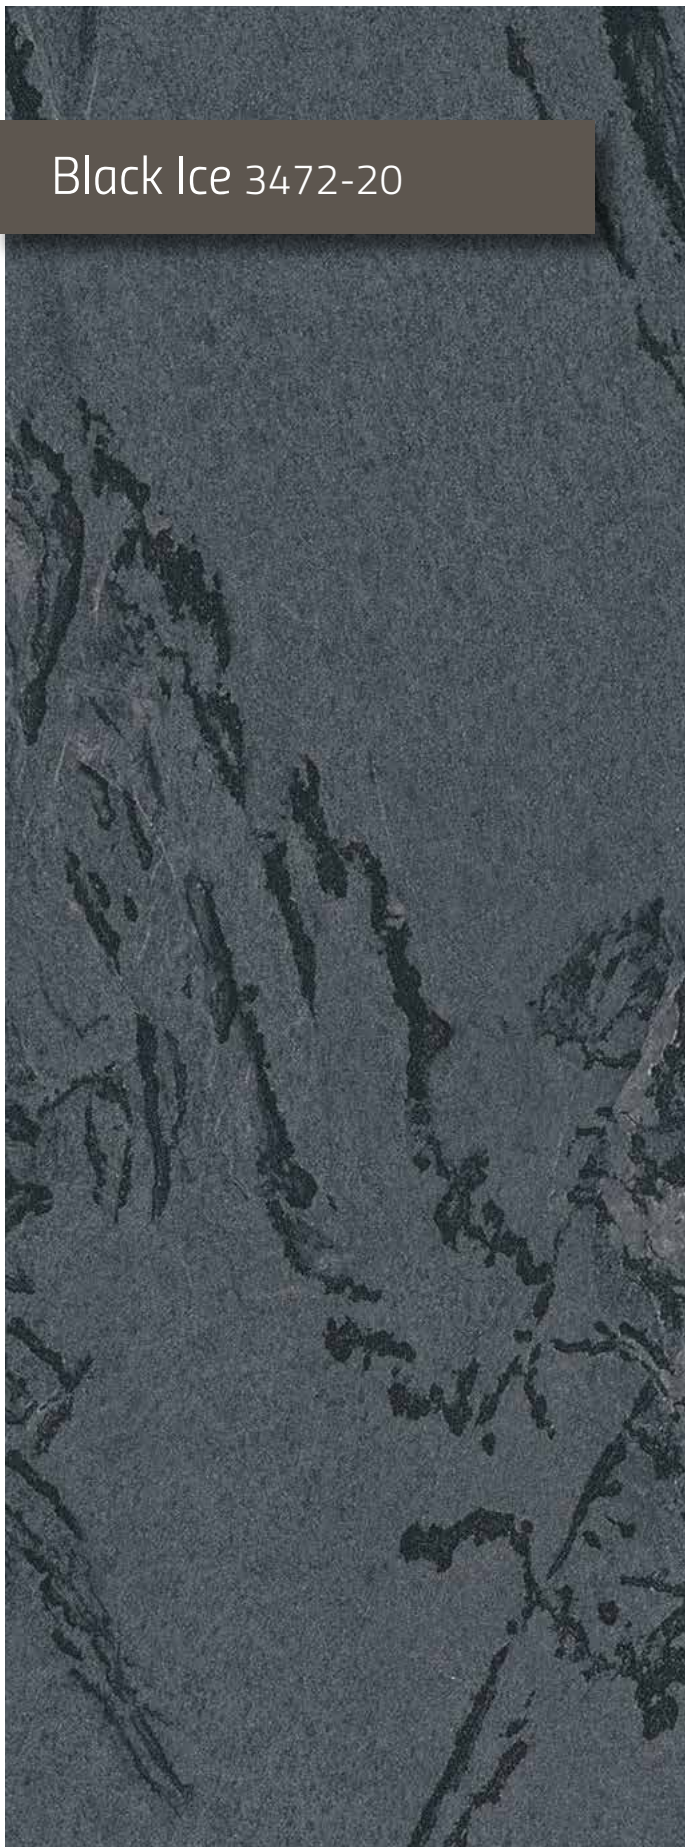

A close-up photograph of a dark, textured surface with a mottled appearance. The texture is composed of small, irregular particles and fibers, creating a complex, organic-looking pattern. The colors range from dark charcoal to a slightly lighter, brownish-grey.

Jurassic Rock 3444-KS

A close-up photograph of a dark, textured surface with a mottled appearance. The texture is composed of small, irregular particles and fibers, creating a complex, organic-looking pattern. The colors range from dark charcoal to a slightly lighter, brownish-grey.

Ruby Limescale 3533-EM

Black Ice 3472-20

Patina Rock 4939-KS

Farbabweichungen sind drucktechnisch bedingt.

Arctic White 0179-60
